Placement Questionnaire

Thank you for your interest in adopting a shelter animal! Please understand that we want wonderful, permanent homes for our animals. We hope to avert failed adoptions.

- 1) Is there a specific pet, or kind of pet (age/color/sex) you are looking for?
- 2) We ask that you commit (in writing) to spaying or neutering this pet as early as possible, young animals can get pregnant at 4 or 5 months.
Is the pet for someone else?
- 3) Do you live in a house or an apartment/condo? Own or rent?
Landlord's name and phone number:
Would you consider moving to a place that does not allow pets?
Are you willing to have us drop off the animal to you?
- 4) Do you have children? If so, what are their ages?
Who else shares your household? Anyone allergic to pets?
- 5) Other pets you have now (type/age/name)?
Have you had pets in the past? What happened to them?
- 6) How many hours would the pet be alone during the day?
- 7) Will your cat be allowed outdoors?
If yes, how busy is your street? Will you be getting a collar and tag for him or her? (We recommend it, even for indoor-only cats, there's a chance they might get out).
- 8) If s/he scratches the furniture, would you consider declawing the cat?
- 9) What arrangements will you make when you go away? How often are you away?
- 10) Anything else you'd like us to know about you?
What appealed to you about this particular pet? Why are you interested in adopting now?

Non-profit adoption donation

We request a minimum donation of \$225.cat/\$275.kitten/\$350+dogs & exotics (reduced if adopting more than one!). This funds rescue efforts and vet care. Animals need regular veterinary care ALL THEIR LIVES -which costs MONEY!
