## Placement Questionnaire:

Have you had pets in the past? Yes What happened to them? They are either still living in my house

How many hours would the pet be alone during the day? Zero

Will your cat be allowed outdoors? No If yes, how busy is your street? NA

Will you be getting a collar and tag for him or her? Yes, already purchased

(We recommend it, even for indoor-only cats, there's a chance they might get out).

What arrangements will you make when you go away? There will always be somebody kept at home with the animal

How often are you away? Never happens

Anything else you'd like us to know about you? I am an animal lover, as well as my family, and there is always someone with the animals so they are never left alone. We even have a vet that comes to the house.

What appealed to you about this particular pet? It is very cute and we like animals that are different

Why are you interested in adopting now? Because this animal is different like me
