## **JUSTA PR**

justa.puertorico@gmail.com

JUSTA PR is not an animal rescue organization, nor is it a legal office that handles private consultations or individual claims. JUSTA PR was created due to the need to **educate the public** about animal rights and other legal aspects that affect us. JUSTA PR believes in ethics and mutual respect, so any comment that does not comply with this will be deleted. Comments against animals, as well as insulting, degrading, discriminatory and political comments are not allowed on this page and will be deleted.

## **Animal Cruelty Researchers - IcaEducapr**

Education plays a fundamental role in our philosophy; This is why we took on the task of developing the ICAEDUCAPR.COM portal. This portal presents: our organization, Law 154, information on minimum pet care. There is also a section within the portal where any person, teacher, group or organization will have access to our teaching materials for free. Among the wide variety of material available are: coloring sheets for boys and girls, Law 154, a list of crimes of cruelty and abuse, penalties and fines. Also, a table (widely used by police officers, as a reference) that will help you determine what physical condition a dog or cat is in.

# FRAUD

Milly Gomez · Just now  
Así se encontró, de que sirve que le  
hayan ayudado si al ver que le  
amputaron sus patitas lo  
Estoy trabajando en la mejor opción  
que esto conlleve. Por favor, hasta  
posibles prótesis.  
Es duro ver a un animal que apenas  
puede caminar en un lugar  
de amor. Pero los  
demasiado grandes!!

Si usted desea ayudar  
gran ayuda. Solo  
segunda opción es hermoso!!  
Si deseas más información escribir por  
inbox y te diré tu numero de Ath móvil.

Gracias!
